

NEWS RELEASE

Office of the President

20 July 2015

The Engineering Institute of Canada is very pleased to announce the appointment of Mr. Guy C. Gosselin *MBA, M.Sc., FCSCE, FEIC, P.Eng.* to the position of Executive Director effective 1 July 2015. He will also be serving as Executive Director for the Canadian Society for Mechanical Engineering.

Mr. Gosselin replaces Dr. John Plant who has served the Institute as Executive Director since 1999. We wish John all the best in his well-deserved retirement from the EIC.

Mr. Gosselin brings a wealth of experience to the EIC. He has served as elected Treasurer and President of both the EIC and the Canadian Society for Civil Engineering (CSCE). He also comes with 35 years of experience serving the National Research Council of Canada in various capacities, most recently as Director of Building Regulations where he managed the development and production of national model construction codes used as a basis of building, fire and energy regulations across Canada. Mr. Gosselin has received numerous awards and distinctions, including the Queen Elizabeth II Diamond Jubilee Medal.

Guy's coordinates are ggosselin.eic@gmail.com | (613) 796-4750.
