

GETTING IT RIGHT CALIFORNIA

DISASTER PLANNING FOR THE WHOLE COMMUNITY

Events in Northern and Southern California!

Featuring speakers from: Partnership for Inclusive Disaster Strategies, the California Governor's Office of Emergency Services, FEMA, the Pacific ADA Center, the American Red Cross, disability rights stakeholders, and survivors and responders from the Butte/Valley Fires.

Forge community partnerships for future disaster planning by learning about disability rights and emergency management responsibilities and promising practices, with a joint Table Top exercise to bring it all together.
