

Don't let your vote fall through the cracks!

If you are planning to vote for SMFT's candidate slate, here's what to do when your SHRM election ballot arrives:

- ***STOP!***
- *Save your e-mail link to the SHRM ballot.*
- *Wait for SMFT instructions on how to properly enter names on the ballot.*
- *Return your completed ballot before the 30-day deadline.*

We must all vote exactly the same way to make our votes count! Because information about the SHRM candidates and their terms of office will likely not be released *until* the ballot goes out, SMFT must wait until then to determine how the ballots must be completed to avoid diluting or nullifying our votes. We will send out instructions within 48 hours of receiving the ballot. **Chapter officers, please forward this to your chapter members so they are aware.**

***Make
Your
Vote
Count!***
