

Maintenance Member Q&A

1. Your name: Sylvester Wyman
2. Company name: Lawson Realty
3. Number of years working with apartment industry: 16
4. What do you like best about your job? Keeping my residents satisfied.
5. Describe a typical day at your job: I'm onsite at 7:30 walking around to make sure everything is okay. I talk with my property manager about what's going on for the day and check in on work orders. I speak to the residents about how things are going in their apartments. If they have requests I direct them to the rental office to put in a service request or discuss other issues with the property manager. I delegate assignments to maintenance technicians for the day. Prepare for the next day.
6. Where did you grow up? Chesapeake, Virginia
7. Education: Graduated from Great Bridge High School 1974 Wildcat! Plumbing certifications from Tidewater Community College. HVAC certifications from First Atlantic Restoration. Maintenance certifications from experience.
8. Family: A wife and two adult children at home.
9. What do you do in your free time? Work around the house, motorcycle riding, lift weights at the gym, spend time with family and friends, and watch horror movies.
10. What's one thing about you that few people know? I'm a surfer.
