Dear Members and Colleagues:

Association of Schools and Colleges of Optometry is pleased to announce that we have chosen to expand our work with Naylor Association Solutions as our official integrated media communication partner. Naylor will provide advertising, publication and media services that build your company’s image and link your brand with buyers in the optometry industry. We are partnering with Naylor to provide the following:

- ASCO Website Retargeting
- ASCO Monthly eNewsletter

In addition to the above services, Association of Schools and Colleges of Optometry has joined Naylor’s Programmatic Network to extend your reach through audience retargeting. Our participation in the network increases your ability to stay in front of those high intent professionals that visit our website.

By extending our services we are expanding your reach with display targeting tactics. You will achieve maximum opportunities through Geo-fencing, Search retargeting, Site targeting and Contextual retargeting.

ASCO is proud to serve as the nation’s leader in the industry and as the voice of the profession. Our media outlets provide your organization with valuable opportunities to present in-depth perspectives on the vast array of issues important to our membership across the web.

Since 1969, Naylor has crafted custom communication solutions for businesses like yours. When you advertise with ASCO through Naylor, you can expect:

- Top-quality exposure to key decision-makers with purchasing power
- Extended advertising reach with programmatic targeting capabilities
- Professional advertising design services
- Ongoing customer service support

Naylor is also committed to complying with the standards established by the U.S. and Canadian Anti-Spam Legislation (CASL). If you do not wish to be emailed by a Naylor representative, please contact Hannah Mule at hmule@naylor.com immediately to have your address removed from Naylor's lists.

Tell the optometry industry about your business’ quality product or service and that you stand with your peers in support of our association. When an account executive from Naylor contacts you, please consider allocating part of your advertising budget to placing your message in our Programmatic Network solution.

Sincerely,
ASSOCIATION OF SCHOOLS AND COLLEGES OF OPTOMETRY

AUDIENCE RETARGETING
EXTEND YOUR REACH

Our programmatic network allows you to stay in front of those high-intent industry professionals who visited our websites, as well as those with characteristics, behaviors, and online activities similar to your target market. By expanding your reach with display targeting tactics, you have infinite possibilities to make an impression. You can drive brand awareness and reach your targeted audience across the web, while increasing accuracy and eliminating waste.

Targeting Tactics
Using a combination of our top targeting tactics will help you achieve your campaign goals.

- **Geo-fencing** location-based advertising focused on specific geographic shapes
- **Search retargeting** target prospects with display ads based on the searches they perform across the web
- **Site retargeting** targets users who have already visited your site while they are visiting other sites across the web
- **Contextual targeting** looks at the category or keywords of the current page a consumer is viewing and then serves them ads that are highly relevant to that content

### HOW RETARGETING WORKS

1. **User visits our website**
2. **After leaving our site**
3. **Your ad displays to that user around the web**
4. **User clicks ad and takes action!**
