

* Job Opportunity * Technical representative *

Gamic Sports, a sales agency representing outdoor brands, has built its reputation on trust and the relationship with customers. We are looking for a new technical representative at our image! The tech rep's main responsibilities are to build an excellent relationship with store staff while sharing their expertise on the products represented.

Flexible schedule, dynamic team, interesting benefits, in short; you want to work with us!

Here is what you will do in your job :

- You will train store staff on the products represented by Gamic Sports
- You will have to travel frequently and over more or less long periods in Western Canada (From Revelstoke to Winnipeg)
- You will make store visits to develop lasting relationships with our customers
- You will participate in promotional events organized by our customers by ensuring a smiling and efficient presence in our booth
- You will provide support to sales representatives
- You will be present at trade fairs in which the agency participates
- You will respond to our customers' requests by phone and email
- You will coordinate product demonstrations and events organized by Gamic Sports
- And finally, as in any good self-respecting job offer, you will have to accomplish all other related tasks 😊

Hiring criteria :

- You have at least one winter and one summer sport passion.
- You can describe the difference between saltwater and maritimes colorway.
- You are good at sharing your adventures and stories.
- The candidate must live close to a major city in Alberta

Okay, we have a few other criteria :

- You have experience in either sales or retail (the two are wonderful!!)
- You have a valid driver's license
- You are autonomous and proactive
- You are attentive in order to properly meet the needs of our customers
- You stand out for your team spirit
- You are structured and organized in your schedule and in the management of priority tasks
- You regularly demonstrate your sense of initiative
- You are comfortable expressing yourself in public in a concise and fluid way
- You know the Office Suite and particularly the Excel spreadsheet
