

Mark Your Calendar for the FASBO/FRMA School Business Conference & Expo!

**October 25 - 28, 2022
DoubleTree at Universal
Orlando, Florida**

It's not an exaggeration to say that we've never been more excited to invite you to our Annual Conference & FASBO/FRMA School Business Expo! We are thrilled to be gathering again in person this fall in Orlando.

This is where we'll return to our deep connections, continue the work of evolving education leadership and unpack ways to transform the work we do for over two million students. You'll hear from inspiring keynotes, learn from recognized experts during carefully curated sessions and workshops, and find solutions to your stickiest problems in the aisles of the Florida School Business Expo.

And you'll also benefit from those meetings in the halls of the conference center and our fun-packed networking events that we've all missed so much. Plus, you'll have time to share your lessons learned and magnificent solutions with colleagues in the state.

Join us in Orlando for all the learning and special moments that are going to take place when we gather face to face!

Conference registration is \$200. Hotel rate is \$129.
