

There are various membership options for vendors or Supporting Members which provide access at the NEHES level, in one state, a few states, or all state chapters. Corporate Membership options were introduced in 2024 to provide a financial advantage for those wishing to add multiple supporting members from an individual company at significant savings.

Becoming a **Supporting Member for \$100** provides membership for one individual to NEHES. Supporting Members have the option to join individual state Chapters as well.

Supporting Membership Options	NEHES Membership Dues	State Add-on Membership Options	Total Cost
One (1) Supporting Membership	\$100	\$50 - \$450	\$100 - \$550
Five (5) Individual Supporting Memberships (purchased separately)	\$500	\$250 - \$2250	\$500 - \$2750
Corporate Membership (up to 5 members)	\$300	NA	\$300
Corporate Plus Membership (up to 5 members)	\$900	All 6 state Memberships Included	\$900

Upgrading to **Corporate Membership for \$300** allows up to five representatives from the same company to become NEHES members. Corporate Membership does not include options for state chapter membership.

Upgrading to the top tier of **Corporate Membership Plus for \$900** includes all the benefits of a regular Corporate Membership in NEHES, plus you can elect up to five company representatives who will also become members of all six state chapters.

NEHES supports healthcare facility managers as well as PD&C professionals across New England. There are chapters across six states: Maine, New Hampshire, Vermont, Massachusetts, Rhode Island and Connecticut. At the close of 2024 there were nearly 600 NEHES members with 190 being facility members. Chapters typically host monthly meetings to engage members socially and in educational offerings that are often hosted by Support Members.

If you and your group would like to become Corporate Members, please complete the following form [HERE](#), otherwise, you can instate your individual Supporting Membership by paying your available dues invoice (current members) or joining as a new member.
