

Certus Acquires Geyer's Pest Control Services

Acton, California – The Aust Group is pleased to announce the most recent acquisition of their client, Geyer's Pest Control Services LLC to Certus Pest, Inc.

Geyer's Pest Control Services LLC, a pest control business based out of Acton, CA, was founded by Mark Geyer in 1999. Mark has been involved in the pest control industry for over 40 years, having started in the space as a service technician in 1980. Geyer provides pest and gopher control services to customers throughout the San Fernando Valley, Santa Clarita Valley, and Antelope Valley. Mark and his staff are excited to join the Certus team and help add density to Certus' existing footprint in the Greater Los Angeles area.

Geyer said, "The Aust Group's support was instrumental to making our sale seamless and successful. From the synopsis of the company for the sales presentation, to information gathering and due diligence, The Aust Group helped me to understand and manage, what is likely the largest transaction of my life. The Aust Group acted with character and professionalism in their negotiations. They presented my company as polished and organized in an honest and straightforward manner. I would recommend The Aust Group to other pest control companies when it comes time to sell."

The Aust Group represented Geyer's Pest Control Services as the exclusive financial advisor on the transaction. The transaction closed on June 1st, 2021, and the terms of this transaction were not disclosed.
