

YOU'RE INVITED

Skills Ontario: Trades Conference for Guidance Educators

The Skills Ontario: Skilled Trades Conference for Guidance Educators is held as part of the [Skills Ontario Competition](#) and is an opportunity to learn about skilled trade careers and the pathways that lead to that career journey.

The goal of the conference is to help participants feel empowered to share this information with students that may be considering a skilled trade career!

The conference will feature expert panels, a keynote speaker, and the opportunity to network with educators from across the province.

Conference attendees will be granted exclusive access to visit the Trades and Tech Truck and to explore exhibitor's booths.

A light breakfast and lunch will be provided and prizes to be won.
