Breedon Construction Announces Construction Completion of Governor's Inn Apartments in Williamsburg, Virginia

Richmond, Va. – November 7, 2024 [Breedon Construction](https://www.breedenconstruction.com) has announced the successful completion of the Governor's Inn development in Williamsburg, Virginia. The new construction project was undertaken by CDG Holdings LLC, with Breedon Construction serving as the general contractor.

"Breedon Construction is proud to deliver this development to the city of Williamsburg. Governor's Inn represents our commitment to quality and innovation, and we look forward to seeing it become a vibrant part of the community," said Brian Revere, president of Breedon Construction.

The \$33.5 million development features six buildings with 164 split-level apartments. The buildings range from two to four stories, and community amenities include a swimming pool, fitness center, outdoor grilling station, and community clubhouse.

With offices in Richmond and Virginia Beach, Breedon Construction is ranked by *Building Design + Construction* (2023) as one of the top multifamily general contractors in the nation.
