Karen's goal is to help her clients understand their insurance needs and what options protect them the best and a price they can afford. "Whether they are looking for homeowners' insurance, auto insurance, renters' insurance, or life and health, she is there to help. She has been serving the Alexandria, VA area since 2016, she began as a Farmers agent and has now become independent. She focuses on providing excellent guidance for all her clients. She makes the insurance process as easy as possible by working directly with their clients to provide them with excellent customer service to make them feel confident and educated about their insurance needs.

She understands the unique insurance needs of military and veteran families and has a wide range of insurance products to fit most business needs. With over 30 years of insurance industry experience, as well as 4 years of real estate experience, Karen has the knowledge and skills to help her clients make the best coverage decisions possible.

She feels joining the IIAV we support her growth plans by giving her strong branding and name recognition as well as access to the other benefits we offer.
